Comment [A1]: The name of the MAT will need to reflect the local context in some way and will need to make clear that the MAT is a Catholic school trust. Association with one school in particular should be avoided. The Diocese should be consulted before a name is finalised.

Comment [A2]: It is helpful for larger multi academy trusts formed of schools working in partnership to establish a group or forum of key influencers to provide an opportunity to discuss strategic collaboration and operational leadership. Sometimes referred to as a Heads & Chairs Forum, Executive Leadership Team or Leadership Group, this group receives its mandate from the Trust Board and can provide an additional reporting line to the Board. Direct decision making authority could be delegated to this group or to any individual headteacher including the person who has taken on the role of the Accounting Officer. Whilst it is expected to be made up primarily of headteachers, the Chief Finance Officer could be required to attend, though care should be taken to avoid this group assuming the operational responsibilities of any central executive team (e.g. AO, CFO, Company Secretary, HR Director etc.). It is also recommended that periodically the chairs of the Local Governing Committees are asked to attend to provide an opportunity for strategic review. It is anticipated that the Trust's Strategic Lead/Accounting Officer/Chief Executive Officer will chair meetings of the Leadership Group and he/she will provide a strategic leadership report to the Trust Board. It is suggested that the Leadership Group meet once a month (or twice a term), with chairs being invited to meetings in November and July. If this group becomes unwieldy, or travel to meetings time consuming, consider forming subgroups based on location or phasing (in effect operating a hub model).

Comment [a3]: It is important to emphasise the difference between the role of a governing body of a VA school and the role of a "local governing body" of an academy within a multi academy trust. The accountability for the academy lies with the Trust Board who will hold that responsibility for all academies in the MAT. Whilst accountability cannot be delegated, some governance oversight can be. Governance implies oversight and responsibility for some strategic decision making. This template Scheme delegates governance responsibility to local "Governors", who will have decision making authority. The name Local Governing Committee is being used to emphasise the difference with a governing body of a VA school. MATs may prefer to use the term Local Governing Body or Academy Committee.

Comment [A4]: The Diocesan Education Service will continue to exercise oversight of the schools, supporting the Bishop and the Diocesan Trustees both as members of any academy trust and as diocesan authority under canon law and education law. Oversight will extend to the MAT itself and to those appointed as directors of any MAT. It will remain the case that the Diocese can be approached to help resolve any relationship difficulties (e.g. between the schools in the MAT or between any Local Governing Committee and the Trust Board) and the Diocese will expect to be informed of any significant breakdown in communication. The importance of recognising the schools as Catholic schools and the observance of all Diocesan policies is restated in the Diocesan Memorandum of Understanding, the current version of which is referenced in the Schem... [1]

Comment [A5]: An example scheme for financial delegation is provided for discussion.

Comment [A6]: Again provided to aid discussion and decision making. This makes a distinction between effective and supported academies as some decision making responsibility will be referred up to the Trust Board when a school requires formal support.

Comment [A7]: Any reasonably large MAT will need a separate audit and risk committee, whose job is to oversee financial probity and ensure risks are identified and managed. Where the responsibility for budget approval is retained by the Trust Board (as opposed to delegated to the Local Governing Committee) then the audit committee might also operate as a finance committee. It is only a committee of the main Trust Board and decision making will still be retain... [2]

1. INTRODUCTION AND EXECUTIVE SUMMARY

1.1 Introduction

1.1.1 [Name of Trust] (referred to herein as “[]” or the “Trust”) was established on [] as a multi academy trust and, in consequence of it entering into both a Master Funding Agreement and a number of Supplemental Funding Agreements (the “Funding Agreements”), operates and maintains a group of Catholic schools in the Diocese of Brentwood (the “Academies”). The Academies shall at all times remain Catholic schools, conducted in conformity with any trust deed governing the use of land used by the Trust and in conformity with canon law and with the teachings of the Catholic Church. Both the Trust and the Academies must comply with any advice or directive issued by or on behalf of the Diocesan Bishop.

1.1.2 The Trust is both a company limited by guarantee, registered at Companies House (Company Number []) and, by virtue of its charitable object “to.... advance the Catholic religion in the Diocese by such means as the Bishop may think fit and proper by establishing Catholic schoolsand with the approval of the Bishop other Academies” (i.e. schools which are not Catholic schools) is a charity. The Trust is not a registered charity but an “exempt” charity, regulated by the Secretary of State for Education, who acts as the principal regulator.

1.1.3 The Trust’s constitution is set out in its **Articles of Association** and this Scheme of Delegation has been put in place in accordance with the provisions of the Articles and should be read in the light of them. This includes the **Diocesan Memorandum of Understanding**, referenced at Appendix 1, which must be observed and complied with.

1.1.4 The purpose of this Scheme of Delegation is to provide clarity as to the role and responsibilities of those who contribute to the governance of the Academies and the Trust itself. All those with governance and management responsibilities must be familiar with

Comment [A8]: Whilst the CES model Articles allow the Trust to operate non Catholic schools, the implementation of the possibility has not yet been considered by the Bishop and the Diocesan Trustees and remains subject to their approval.

Comment [A9]: The CES model has been adopted by the Diocese and must be used for all Deanery MATs. A template draft, adapted to reflect the Diocesan specific terms, has been made available by the Diocesan Education Service. Any existing academy trust which has an older version of the Articles will need to take steps to adopt the current model.

this Scheme of Delegation so that appropriate steps can be taken to ensure there is sufficient and proper challenge of those with leadership responsibilities, to ensure that senior leaders are held to account for the performance of the Academies and that there is financial stability within the Trust.

1.1.5 This Scheme of Delegation will apply to each of the Academies.

1.1.6 The Effective Date of this Scheme of Delegation is [] and it will be reviewed every two years, on the recommendation of and/or in consultation with the Leadership Group and the Diocesan Education Service.

1.2 Executive Summary

1.2.1 This Scheme of Delegation identifies those with governance and leadership responsibilities and seeks to articulate the principles of governance within the Trust and how decisions are made (and overseen).

1.2.2 The Members of the Trust are the Bishop of Brentwood, the Brentwood Roman Catholic Diocesan Trust (often referred to as “the corporate trustee”) and the Episcopal Vicar for Schools and Colleges. Where the Trust operates a religious order school or schools, a representative of the relevant religious order will be invited by the Bishop to be a Member. The Members oversee and hold the Trust Board to account and will ensure that the values of the Trust are upheld including the schools’ religious character and distinctiveness.

1.2.3 The Trust Board is made up of Foundation Directors appointed by the Bishop. Its key responsibilities are to develop the vision and values of the Trust, provide strategic leadership, hold leadership to account and to ensure the financial viability of the Trust and each of its schools. The Trust Board is the accountable body, answerable in part to the Secretary of State for Education as well as the Bishop.

1.2.4 The Trust Board delegates some governance decision making and the day to day oversight of school leadership to a Local Governing Committee.

Comment [A10]: Experience now suggests that it is better to have one Scheme for all Academies rather than school specific schemes. Any specific arrangements which may need to be put in place for a school, perhaps for a temporary period, can be put in place at the discretion of the Trust Board. The main purpose of the Scheme is to delegate authority and responsibility by the Directors to the Governors. Where there are serious weaknesses in a school (as opposed to simply the need to provide formal support) it is likely the Local Governing Committee will need to be suspended or disbanded and an interim arrangement put in place (described in the Scheme as an “intervention board”). The Scheme provides for that in section 5.

1.2.5 To ensure effective collaboration and the dissemination of good practice, headteachers meet as a leadership group and some strategic decision making responsibility is vested in this group. It is intended that this group meet regularly and Chairs of Local Governing Committees will be invited to attend two of these meetings a year to provide an opportunity to consider the impact of the Trust as a whole and how it is meeting the needs of its communities with the view to supporting the Trust Board in making strategic decisions about the future priorities for the Trust and its schools.

1.2.6 To aid swift decision making a summary of key decision making responsibilities is set out in Appendix 3 entitled **Leadership and Governance Decision Planner**.

2. VISION AND VALUES

2.1 [Set out here the Trust's overall vision.]

2.2 The Academies, and those responsible for the governance and management of the Trust and the Academies, have committed to working in partnership, supporting one another. The drafting and adoption of this Scheme of Delegation has been guided by the following principles:

2.2.1 Catholic Ecclesiology

The Trust is part of a family of Catholic schools that exist to further the Church's saving mission by educating its young people in accordance with the teachings of the One Teacher, Jesus Christ. In carrying out any functions on behalf of the Trust all Members, Directors and those in any way involved in the business of the Trust and the Academies recognise the Bishop of Brentwood as the Chief Teacher and the focus of unity in the Diocese and will carry out those functions and responsibilities in full communion with him and in accord with the mind of the Catholic Church. Accordingly, the functions of the Trust and the Academies will be conducted in accordance with the following principles and observing the commitments set out in the Diocesan Memorandum of Understanding.

Comment [A11]: Each Deanery MAT will need to be clear about its vision and values. Ideally this will be agreed by the schools in the Deanery together even if not all schools in that Deanery want to convert at the same time or be part of the MAT at the outset. The vision should make it clear why the schools are working together and will be an important element of the consultation for each school when a governing body is deciding whether or not to become an academy and become a part of the Deanery MAT.

2.2.2 **Equal Partners**

The Academies are equal partners within the Trust and at all times the partners will strive for consensus in decision making, recognising that each Academy has both strengths and weaknesses. The Academies will seek to preserve and protect each other's distinctiveness and will be respectful of each Academies' respective ethos and mission. The Academies will work collaboratively with each other, sharing resources, knowledge and best practice, to fulfil the Trust's mission, vision and values.

2.2.3 **Transparency**

All those involved in the running and oversight of the Trust and the Academies will be open and honest in their dealings with each other, at all times acting in good faith and recognising the value of independence and separation in relation to decision making.

2.2.4 **Subsidiarity**

Decisions are to be taken at the level nearest to those affected by those decisions which is compatible with the principles of solidarity and support for the common good, avoiding unnecessary bureaucracy and aiming in so far as possible to make changes to established practices only where it can be demonstrated there is a reasonable need. Where governance responsibility is delegated appropriate decision making authority will be given. The parameters of such authority will be clear and those to whom responsibility is given will be required to report to those who retain overall responsibility.

2.2.5 **Solidarity**

All those with responsibility for the Trust and the Academies share a particular commitment to the mutual support of all Academies for whom the Trust is responsible, especially those that are in need of assistance at any particular time. Accordingly, this Scheme of Delegation recognises the obligation to contribute to the common good of all Academies from out of the resources entrusted to them.

The Directors will ensure that common action and collaboration is conducted at the correct level and that the balance between subsidiarity and solidarity serves the common good in the most appropriate way.

2.2.6 **The Common Good**

All recognise their responsibility towards the common good, not just of the Academies for whom the Trust is responsible and the wider Diocesan family of schools, but of all of the families and communities in the areas served by the Trust. In light of the principle of common good, those with particular responsibility for an Academy acknowledge the desire and obligation on the Directors to put in place measures to ensure that any Academy for whom the Trust is responsible is supported when the need arises.

3. ACCOUNTABILITY: GOVERNANCE AND MANAGEMENT STRUCTURES

3.1 Overall Structure

- 3.1.1 The nature of the Trust as a company running multiple academies means there are many governance and management layers.
- 3.1.2 The “**Members**” of the Trust are equivalent to shareholders of a trading company but as the Trust is charitable with no power to trade or distribute profit to shareholders, the Members are best viewed as guardians of the constitution and the Trust’s vision and values, ensuring the charitable object is fulfilled. Each Member’s liability is limited to £10 and, in view of the limited liability and therefore scope for accountability, they have limited governance and no day to day management responsibilities.
- 3.1.3 The corporate management and “trustee” responsibility for the Trust is vested in the “**Directors**”, who will be the company directors registered with Companies House. The Directors are personally responsible for the actions of the Trust and the Academies and are accountable to the Members, the Secretary of State for Education and the wider community for the quality of the education received by all pupils of the Academies and the expenditure of public money. The Directors are required as Directors and pursuant to the Funding Agreements to have systems in place through which they can assure themselves of the quality, safety and good practice of the affairs of the Trust. The Directors meet as a board of Directors, generally known as the “**Trust Board**”. All Directors have the same responsibility to act in the best interests of the Trust and the Academies, irrespective of their role on the Board i.e. whether appointed in an executive capacity or appointed as a representative of the Academies.
- 3.1.4 The Directors oversee the management and administration of the Trust and the Academies run by the Trust and delegate authority and responsibility to others, including executive officers and individuals who are locally based who can undertake the day to day management and governance of the Academies. The Trust Board will continue to have the necessary strategic and legal oversight of the

Trust and will monitor all activities; determining the strategic direction of the Trust, assessing the performance of the Academies and establishing and reviewing the policies and practices governing the life of the Academies, at all times being supported and working with both the Leadership Group and the Local Governing Committees.

- 3.1.5 Article 101 of the Articles of Association provides for the appointment by the Directors of committees or working groups to whom the Trust Board may delegate certain functions and responsibilities. The Trust Board has established “Local Governing Committees” for each of the Academies and their power is derived from the Trust Board. Like the Directors on the Trust Board, the individuals (the “Governors”) serving on a Local Governing Committee are also responsible for fulfilling a largely strategic, governance role in the conduct of the Academies in conjunction with the “Principal” (executive headteacher, headteacher or head of school, as the case may be), who is responsible for the internal organisation, management and control of the Academy (or Academies where schools are federated or an executive arrangement is in place). The Trust Board will also delegate management responsibility directly to the Principals, who will report primarily to the Local Governing Committee but subject to the oversight exercised by the Trust Board.

- 3.1.6 The Trust Board has also set up a committee, the “Leadership Group” of representatives of the Academies to provide a focus for the setting of policy and to develop the strategic vision of the Trust. The Leadership Group will both support and advise the Trust Board and will facilitate communication between the Trust Board and the Local Governing Committees as well as provide an opportunity for the Academies to explore and develop areas of collaboration and shared working. All head teachers and Chairs of the Local Governing Committees will be invited to participate in the Leadership Group [with sub groups being established on a [phase basis] [location basis]. This group will also act as a strategic advisor on educational matters to ensure the long term success of the Academies and that continuous improvement is made within all Academies. Principals will meet [once a month] [twice a term] and the full Leadership Group (i.e. including Chairs of the Local Governing Committees) will meet twice

Comment [a12]: The Articles permit the Directors to establish “Local Governing Bodies” (on an advisory of governing basis) either for each academy or for a number of academies. This therefore allows any federated arrangements to be preserved on conversion as well as allow for new federated arrangements to be put in place in the future. Such a move would not require LA or DfE approval.

Comment [a13]: The term Principal has been used to denote the School leader. The Scheme acknowledges that this person could in fact be an executive headteacher or a head of school. If preferred, the term “headteacher” could be used throughout.

Comment [A14]: The idea of an Leadership Group is to provide an effective link between the Trust Board and the Local Governing Committees, particularly for large MATs. It should enable a MAT Trust Board to be genuinely “light touch”. Any key strategic decisions of the Trust Board could be discussed with the Leadership Group first to ensure decisions will be well received and implemented. The Leadership Group should support the Trust Board advising on any strategic issues affecting the schools as a whole or a section of them. It will provide a forum for discussion about shared projects and resources. There is no reason why the Leadership Group couldn't be organised along phase specific lines or with location in mind to facilitate effective partnership between different groups of schools, provided this does not affect the overall wish to collaborate across the MAT. Effective local collaboration should support the reduction in the number of Local Governing Committee meetings (or meetings of the working groups and sub-committees of the Local Governing Committee). If preferred the term “Executive Leadership Team” could be used or “Heads & Chairs Forum”.

a year; in November and July. The agenda for the Principal meetings will be flexible and adapted to need. It is expected that the focus for the full Leadership Group meetings will be as follows:

Focus for November meeting	Focus for July meeting
<p>Collaboration</p> <p>Governor Skills Training and Development</p> <p>Cross MAT Governance Support</p> <p>Admissions/Need</p> <p>Curriculum Priorities/Work Planning</p>	<p>Strategy</p> <p>Vision</p> <p>Protecting Catholic Education</p> <p>Review of Year/ Planning Forward</p>

A representative of the Trust Board may be asked to attend at the invitation of the Chair of the Leadership Group. The Members will be informed of the dates for the meetings of the full Leadership Group on the expectation that periodically a representative of the Members may attend. The Trust Board recognises the important role played by the Leadership Group and commits to keeping the Leadership Group informed and to have regard to any advice or guidance provided by the Leadership Group on any matter affecting the Trust or the Academies. Further detail is set out in section 3.5 below.

3.2 Role of the Members and the Diocesan Education Service

3.2.1 The Members are the guardians of the constitution, determining the governance structure of the Trust and providing oversight and challenge of the Directors to ensure the charitable object of the Trust is being fulfilled. In view of the overarching role of the Members, the Diocesan Bishop will be a Member together with the Brentwood Diocesan Trust and the Episcopal Vicar for Schools and Colleges.

Where the Trust operates a religious order school or schools, a representative of the relevant religious order will be invited by the Bishop to be a Member.

3.2.2 The Members' key responsibilities are:

3.2.2.1 to secure Catholic education and ensure the Trust remains true to its vision and values;

3.2.2.2 to ensure the Objects of the Trust are met;

3.2.2.3 to determine the Trust's constitution i.e. the Articles and approve of the governance structure; and

3.2.2.4 to support the Bishop in appointing and removing Directors.

3.2.3 The Bishop, through the Diocesan Education Service, will also exercise oversight and supervision as diocesan authority and the Diocesan Memorandum of Understanding seeks to articulate this. Each of the Members, Directors and Governors are required to observe any directions issued by the Bishop and to follow any advice and guidance issued by the Diocesan Education Service on behalf of the Bishop.

3.3 **Role of the Directors and the Trust Board**

3.3.1 The Directors have overall responsibility and ultimate decision making authority for the work of the Trust, including the running of the Academies and the growth and development of the Trust. The Directors have the power to direct change where required.

3.3.2 As trustees of a charity, the Directors have a fiduciary duty to act in good faith in the best interests of the Trust. This duty includes a responsibility to do the following:

3.3.2.1 to ensure compliance with any legal obligations;

3.3.2.2 to report on the Trust's activities (the Trust must prepare accounts in accordance with the relevant Statement of Recommended Practice for Charities, the so called "**Charity SORP**");

- 3.3.2.3 to fulfil the charitable object of the Trust as set out in the constitution (i.e. the **Articles of Association**) and to act in a way which is compliant with the rules of the Trust contained in the Articles;
 - 3.3.2.4 to act with integrity and to avoid any personal conflicts of interest and not to misuse any charity funds or assets;
 - 3.3.2.5 to act prudently in the financial management of the Trust, avoiding putting any assets, funds or reputation of the Trust at undue risk;
 - 3.3.2.6 to exercise reasonable care and skill, using personal knowledge and experience to ensure the Trust is well run and efficient; and
 - 3.3.2.7 to act responsibly, getting advice from others, including professional advisors, where appropriate.
- 3.3.3 The Directors must act independently and in the best interest of the Trust even if those interests conflict with those of the body or organisation that might have appointed or nominated such Director to serve on the Trust Board, this will include a conflict of loyalty where there is no obvious benefit involved, as well as a conflict of interest. **The Trust Board has adopted a formal Conflict of Interest Policy, attached to this Scheme of Delegation as Appendix 3,** in order to assist all those involved in the running of the Trust at every level to avoid and manage potential conflicts. Specific attention must be given to any arrangement whereby a Member or Director will personally benefit from an arrangement and the Conflict of Interest Policy makes reference to the ESFA's guidance on "related party transactions" which all those involved in the running of the Trust must have regard to. This does recognise however the unique relationship between the Diocese and the Trust which is reflected in the Articles. Directors must comply with the **Director Code of Conduct**, appended at Appendix 9.
- 3.3.4 The specific tasks and responsibilities of the Trust Board are as follows:

Comment [A15]: A draft policy is provided for discussion.

- 3.3.4.1 to determine and fulfil the shared vision and ethos of the Trust and the Academies, acknowledging the uniqueness of each individual Academy and the needs of the communities they serve;
- 3.3.4.2 to develop a strategic plan for the Trust and to effectively communicate that plan so this can be implemented across the Trust and all the Academies, including determining any future expansion of the Trust and the relationship that the Trust has with the Diocese and the Secretary of State for Education (including also the Department for Education, the Education & Skills Funding Agency and Ofsted);
- 3.3.4.3 to develop and support strategic partnerships with other bodies and organisations, including service providers and government agencies, which will further the Trust's strategic plan;
- 3.3.4.4 to act as a critical friend to each of the Local Governing Committees and to ensure they are effective;
- 3.3.4.5 to determine and implement policies and procedures which it is intended will achieve a consistently high standard of education and financial prudence across the Trust dealing with (but not limited to) the following:
- Human Resources/Employment
 - Audit & Risk Management
 - Contingencies and Reserves (both central and at Academy level)
 - Governance
 - Health & Safety
 - Operational Matters
 - Data Management
 - Complaints and Appeals
 - Legal Compliance

- 3.3.4.6 to work with the Leadership Group to develop the local capacity within the Trust to provide both governance and leadership support and mentoring to the Local Governing Committees and the leadership teams within the Academies, as well as direct school improvement support, facilitating the development of the Academy Action Plans where required;
- 3.3.4.7 working with the Diocese and having regard to any recommendations by the Diocesan Education Service, to make or facilitate the making of suitable appointments of governors who will serve on the Local Governing Committees, including removing governors who fail to fulfil the expectations on Governors set out in this Scheme of Delegation;
- 3.3.4.8 to determine the budget for any shared or central expenditure and to support and monitor the individual Academy budgets (acknowledging the principle of full delegation of the Academy's budget to the Local Governing Committee as set out in this Scheme of Delegation);
- 3.3.4.9 to monitor and evaluate the delivery of the central or shared services and functions provided by any Executive Team, ensuring there is comprehensive support to the Academies and procuring any strategic third party services as determined appropriate;
- 3.3.4.10 to ensure there is a proper system for the internal audit of the accounts of the Trust (including the Academies) and the financial procedures followed by the Academies, facilitating the auditing of the Trust's accounts by the Trust's auditors, establishing a formal audit committee adopting the terms of reference set out in Appendix 5 which will be responsible for carrying out periodic internal audits of the Academies' financial processes, procedures and accounting records;

- 3.3.4.11 to act as the ultimate decision maker in relation to any appeals by staff following disciplinary or grievance procedures;
 - 3.3.4.12 to ensure proper advice is available to the Trust and the Academies in relation to legal and compliance matters;
 - 3.3.4.13 to ensure that insurance or risk protection cover is put in place and maintained for all risk areas including damage to property, employer liability, public and third party liability and Director liability;
 - 3.3.4.14 to liaise with and support the Local Governing Committees ensuring there is collaboration not just within a region but across the whole Trust, emphasising and facilitating the benefits of such collaboration.
- 3.3.5 The organisation of the Trust Board is set out in the Articles of Association, which determine meeting frequency, quorum and the appointment of a Chair and Vice Chair. The Trust Board is required to meet at least 3 times a year and the quorum for any meeting is the greater of 3 and a third of the Directors appointed at any one time.
- 3.3.6 The following are the core competencies and skills expected of all Directors (as further noted in the Director Code of Conduct):
- 3.3.6.1 to work as a team;
 - 3.3.6.2 to attend meetings and be prepared to contribute to discussions;
 - 3.3.6.3 to be respectful of the views of others and to be open to new ideas and thoughts;
 - 3.3.6.4 to treat all confidential information confidentially;
 - 3.3.6.5 to develop a deep understanding of the vision and ethos of the Trust, in particular its Catholic purpose, and its Academies and the roles played by all individuals in fulfilment of the Trust and the Church's mission;

3.3.6.6 to understand the policies and procedures of the Trust and how these flow down to the Academies;

3.3.6.7 to support the Trust and the Academies in public and act as an ambassador of Catholic education;

3.3.6.8 to commit to training and skills development

3.3.6.9 to be ready to ask questions;

3.3.6.10 to be focussed on problem solving and be ready to learn from past experiences.

3.3.7 Specific skills may be needed if a Director is to take responsibility for and lead on a specific area. A periodic skills audit will be undertaken and Directors should expect to be able to articulate to the Members and to each other their contribution to the success of the Trust and the Academies.

3.4 **Executive Functions**

3.4.1 As a non-executive body, the Trust Board must rely on others to fulfil the executive functions. For the most part, this responsibility will fall on the Principals of the Academies, supported by the school leadership teams. Certain functions relating to the management of the Trust itself or which relate to the activities of more than one Academy may be undertaken by an “**Executive Team**”.

3.4.2 The need for and size of the Executive Team will be determined by the Trust Board, in consultation with the Leadership Group. Where possible, resources will be drawn from the Academies themselves rather than the use of external consultants or through recruitment. This will include the identification of persons who will fulfil the roles of the “**Accounting Officer**” and “**Chief Financial Officer**” as required by the Academies Financial Handbook. For more information on these roles please see the Trust’s Financial Regulations Manual.

3.4.3 The likely key functions of the Executive Team are:

Comment [A16]: More or less could be said now, but ultimately the executive functions will be determined by the desire and need to collaborate and should be reflected in the Trust’s business plan and budget for shared costs.

- 3.4.3.1 to manage the conversion of schools to Academies. Prior to a school's conversion, the Executive Team will carry out relevant due diligence to establish the school's position and identify any actions required to address areas of weakness or opportunities for improvement (including the formulation of a 12 month strategic plan for the Academy (the "**Academy Action Plan**")), and, in conjunction with the Diocesan Education Service, the Regional School Commissioner, the relevant Local Authority and the Trust's solicitors, will manage the associated legal processes;
- 3.4.3.2 following conversion and where appropriate, to assist with the development and implementation of the Academy Action Plan;
- 3.4.3.3 to provide operational and management support to the Principals and senior leadership teams within the Academies (including assisting with budget setting);
- 3.4.3.4 to facilitate the production of management information on the Academies and to support the production of the Trust's and the Academies' financial accounts;
- 3.4.3.5 to support any Trust wide projects;
- 3.4.3.6 to ensure that insurance or risk protection cover is put in place and maintained for all risk areas including damage to property, employer liability, public and third party liability and Director and governor liability;
- 3.4.3.7 [to undertake the strategic management of the whole school estate, advising the Trust Board on areas of risk and assessing the Trust's overall safeguarding responsibilities, including assisting the Local Governing Committees in drawing up a long term estate plan which identifies areas in need of expansion and/or development and areas likely to be surplus to requirements; and]

3.4.3.8 [to take a lead on any capital bids and allocations, supporting the Academies' premises teams to carry out works safely and cost effectively.]

3.4.4 The cost of the functions undertaken by the Executive Team and the Trust Board are generally funded on a fair and equal basis by the Academies by the contribution of a percentage of the central government funding provided for each Academy the "**Partnership Contribution**"). This contribution will be set each year against a budget for the shared costs approved by the Trust Board in consultation with the Leadership Group. [The percentage may vary according to the level of activities undertaken and costed on a menu type basis.] Additional funding received by the Trust from other non-Academy sources (such as other government grants) will contribute directly to the shared costs and will offset the Partnership Contribution required from the Academies.

3.5 Role of the Leadership Group

3.5.1 The Trust operates across an area identified by the Diocese. Academies have been grouped within their Deaneries in order to promote shared working and to build leadership capacity and expertise, with an emphasis on standards and school improvement. Principals will meet once a [month] [twice a term] and the full Leadership Group (i.e. including Chairs of the Local Governing Committees) will meet at least twice a year in November and July.

3.5.2 The Leadership Group will provide an important opportunity and forum for collaboration and school to school support. It may also provide an opportunity for benchmarking and peer to peer review. As well as delegating some decision making to the Leadership Group, the Trust Board is expected to consult regularly with the Leadership Group and have regard to any advice or views shared by the Leadership Group as to the threats and opportunities facing the Academies and the Trust more widely.

3.5.3 Terms of Reference for the operation of the Leadership Group are attached to this Scheme of Delegation as Appendix 7.

Comment [A17]: Optional but may be helpful as a way to concentrate resource and build expertise, which can be difficult to do as individual schools. Larger multi academy trusts have the option now to secure committed, regular, annual capital funding to be spent across the Trust, rather than individual academies submit bids through the DfE's Condition Improvement Fund. Decisions on allocation of CIF funding will be a Trust Board responsibility and should be informed by the Estate Management Plan. Further advice and support is available from the Diocesan Education Service.

Comment [a18]: There is no statutory reference to a "Partnership Contribution" or levy (sometimes referred to as a top-slice). This is for the Trust to decide, including what you want to call it. The ESFA Funding Agreement allows academies to pool funds in whatever way they see fit, provided it is clear that pupil funding is being spent on delivering education.

Comment [A19]: There are a number of options in setting a policy for sharing costs. It is likely a fixed percentage will be set allowing for a reconciliation at the end of the year. It is important that a reserve or contingency is built up which will allow the Trust to react quickly if there are financial constraints or one off emergencies in any one of the Academies. The contribution of funds must be fair and transparent. The schools should avoid the temptation to set the contribution too low and the viability of the Trust will be looked at specifically by the ESFA and Ofsted. Further detail should be set out in the Financial Regulations Manual.

3.5.4 The Trust Board will have regard to the interests of all the Academies in deciding and implementing any policy or exercising any authority in respect of any one or all of the Academies for which it is responsible. Notwithstanding this, the priority for the Trust Board is to put in place measures to ensure that any of the Academies are supported when the need arises. Where this may have a financial impact on the funding of the support provided by or on behalf of the Trust Board, any policy shall first be discussed with the Leadership Group and its views taken into account and considered in relation to the setting and implementation of any such policy.

3.6 The role of the Governors and the Local Governing Committees

3.6.1 The role of a Governor within a multi academy trust is an important one. In developing a governance structure, the Trust has sought to ensure that as much as possible the responsibility to govern is vested in those closest to the impact of decision making and that such responsibility matches the capacity of those assuming responsibility.

The Trust Board has established Local Governing Committees for each of the Academies, for the most part made up of individuals drawn from the Academy's community, both as elected and appointed members, with an emphasis on appropriate skills and experience.

3.6.2 The Governors serving on such Local Governing Committees are accountable to the Trust Board (which in turn of course is accountable to the Bishop, the Members and to the Department for Education) as well as to the communities they serve.

3.6.3 Whilst not trustees under charity law, nevertheless, the Governors are under a duty to act in good faith and in the best interests of the Academy and the Trust, which includes all the Academies. This duty includes a responsibility to do the following:

3.6.3.1 to ensure the Academy complies with its legal obligations;

3.6.3.2 to fulfil the charitable object of the Trust;

Comment [A20]: Schools' existing Governing Bodies will dissolve on conversion when the school joins the Trust. There is no automatic creation of a Local Governing Body or Committee for an academy and no automatic transfer of governors from the current Governing Body to the new Local Governing Committee created by the Trust Board. This Scheme of Delegation establishes Local Governing Committees and empowers them to act.

- 3.6.3.3 to act with integrity and to avoid any personal conflicts of interest and not to misuse any charitable funds or assets of the Academy or the Trust;
 - 3.6.3.4 to act prudently in the financial management of the Academy, avoiding putting any assets, funds or reputation of the Academy or the Trust at undue risk;
 - 3.6.3.5 to exercise reasonable care and skill, using personal knowledge and experience to ensure the Academy is well run and efficient;
 - 3.6.3.6 to act responsibly, getting advice from others from within the Trust and if appropriate external professional advisors;
 - 3.6.3.7 to act as an ambassador of the Trust and in a way which is consistent with the vision and values of the Trust.
- 3.6.4 Governors must act independently and in the best interest of the Academy even if those interests conflict with those of the body or organisation that might have appointed or nominated them to serve on the Local Governing Committee. As with the Directors, the Governors must comply with the Trust's Conflict of Interest Policy.
- 3.6.5 The specific tasks and responsibilities of the Governors are as follows, with further detail set out in Section 4 of this Scheme of Delegation:
- 3.6.5.1 to fulfil the vision and ethos of the Trust in so far as it relates to the Academy, ensuring that the Academy achieves the aims and ambitions it has for its pupils, having regard in particular to the benefits of being part of a family of Catholic schools which stresses the importance of collaboration and mutual support;
 - 3.6.5.2 to implement and review from time to time the strategic plan for the Academy (including any initial Action Plan), focussing on the Academy's performance and achieving sustained school improvement [and having regard to any locally agreed priorities identified by the Leadership Group];

Comment [A21]: The DfE will expect to see a clear plan for raising achievement in the schools. A larger Trust may look to establish local committees focusing on standards across a small group of academies. This function could be undertaken by the Trust Board where the Trust is small and locally focussed or by the Leadership Group.

- 3.6.5.3 to act as a critical friend to the Academy's senior leadership team, being ready to challenge and hold senior leaders to account for all aspects of the Academy's performance;
- 3.6.5.4 to oversee the management of the finances of the Academy, assessing the annual budget prepared by the Academy's Principal (with the support of the Academy's senior leadership team) and submitting such for approval by the Trust Board, ensuring that the Academy works within its budget and the Academy's senior leadership team adopts and implements appropriate risk and financial management policies and practices including in particular any adopted by the Trust Board for application across all the Academies;
- 3.6.5.5 to support the Academy's Principal in the development and review (from time to time) of an appropriate staffing structure for the Academy, ensuring there is robust and accountable monitoring of the performance of staff and implementing all and any policies relating to staff adopted by the Trust Board;
- 3.6.5.6 to support the Trust Board in its monitoring and evaluation of the delivery of any central or shared services and functions provided or procured by the Trust for the Academies, reporting any issues or concerns to the Executive Team and, if necessary, the Chair of the Trust Board;
- 3.6.5.7 to promote the benefits of collaboration with the other Academies and to actively seek opportunities to work together either with the aim of improving economic efficiencies within the Academies or identifying and implementing best practice;
- 3.6.5.8 to develop effective links within the Academy's community, communicating openly and frequently as appropriate and ensuring that the Academy meets its responsibilities to the community and the Diocese and serves the community's

needs in relation to the safeguarding and education of its pupils; and

- 3.6.5.9 to engage fully and openly with any inspection of the Academy, whether by the Trust Board, the Diocese, Ofsted or any other appropriate public body to whom the Academy is accountable.
- 3.6.6 Individual Governors may be given primary responsibility for particular functions such as standards, finance, premises and resources with the view to matching skills and experience to functions. This will not affect collective and overall individual responsibility but Governors are expected to use their skills and experience in the fulfilment of their duties.
- 3.6.7 Subject to the provisions of the Companies Act 2006 every member of the Local Governing Committee or other officer or auditor of the Trust acting in relation to the Academy shall be indemnified out of the assets of the Trust against any liability incurred by him or her in that capacity in defending any proceedings, whether civil or criminal, in which judgment is given in favour or in which he or she is acquitted (including where there has been an investigation but no formal charges brought) or in connection with any application in which relief is granted to him or her by the court from liability for negligence, default, breach of duty or breach of trust in relation to the affairs of the Trust.
- 3.6.8 As with the Directors, the following are the core competencies and skills expected of all Governors:
- 3.6.8.1 to work as a team;
 - 3.6.8.2 to attend meetings and be prepared to contribute to discussions and commit to agreed actions;
 - 3.6.8.3 to be respectful of the views of others and to be open to new ideas and thoughts;
 - 3.6.8.4 to treat all confidential information confidentially;

- 3.6.8.5 to develop a deep understanding of the vision and ethos of the Trust and its Academies and the roles played by all individuals in fulfilment of the Trust's mission;
 - 3.6.8.6 to understand the policies and procedures of the Trust and how these flow down to the Academy;
 - 3.6.8.7 to support the Trust in public and act as an ambassador of the Trust and the Academy and Catholic education more generally;
 - 3.6.8.8 to commit to training and skills development
 - 3.6.8.9 to be ready to ask questions;
 - 3.6.8.10 to be focussed on problem solving and be ready to learn from past experiences.
- 3.6.9 Specific skills may be needed if a Governor is to take responsibility for and lead on a specific area. A regular skills audit will be undertaken and Governors should expect to be able to articulate their contribution to the success of the Academy.
- 3.6.10 The Trust Board also recognises the role that the Academies play in their communities and the Local Governing Committee is free to decide how such support and patronage is given. The Local Governing Committee shall ensure that any support is not inconsistent with the objects of the Trust and the restrictions on the use of its charitable resources and any advice or restriction placed on the Trust by either the Diocese or the Secretary of State (including the Charity Commission). The Local Governing Committee shall ensure that any formal collaboration or support with third parties, including with those with whom the Trust has a strategic partnership is appropriately documented and the details notified to the Audit Committee to assess effectiveness and where financial support is provided for accounting reasons.

4. **DELEGATED AUTHORITY AND RESPONSIBILITIES OF THE LOCAL GOVERNING COMMITTEE**

4.1 **General Provisions**

- 4.1.1 The Trust Board reserves the right (subject to consultation with the Leadership Group and any guidance issued by the Diocesan Education Service or approval required from the Bishop and the Diocesan Trustees) to review and alter this Scheme of Delegation and the level of delegated responsibility at any time, noting that it is likely to be reviewed for its effectiveness at least every two years. Whilst the Scheme cannot take the form of a legally binding contract and is subject to the overriding duty on the Directors to act freely and in the best interest of the Trust, in so far as the Directors are able they agree to abide by the provisions of it and will consult the Local Governing Committees on any significant changes.
- 4.1.2 Those to whom delegated responsibility is given must acknowledge the limitations on their authority and must not act outside of their authority. Any wilful disregard of the matters expressed in this Scheme is likely to lead to the Scheme being withdrawn. In the event of any serious disagreement between the Trust Board and a Local Governing Committee, which cannot be resolved by the Chair of the Local Governing Committee discussing the matter with the Chair of the Trust Board, will be referred to the Diocesan Education Service for guidance.
- 4.1.3 As a matter of general principle, the Local Governing Committee will adopt and will comply with all policies adopted by the Trust Board and will comply with any direction issued by the Trust Board and have regard to any advice given. The Local Governing Committee will also comply with any requirements of the Diocese and adopt any guidance issued by it.
- 4.1.4 Subject to the provisions of the Companies Act 2006, the Articles and to any directions given by the Members following a special resolution, the governance and management of an Academy shall be delegated

by the Trust Board to the relevant Local Governing Committee. The Governors shall exercise all the powers of the Trust Directors in so far as they relate to the Academy, only in accordance with the terms of this Scheme of Delegation, any Trust policy and specific agreement between the Trust Board and the Local Governing Committee. No alteration of the Articles or change to the Scheme shall invalidate any prior act of the Local Governing Committee which would have been valid if that alteration had not been made. Except as provided for in this Scheme of Delegation, the powers given by this Scheme shall not be limited by any special power given to the Directors by the Articles or to the Local Governing Committee by this Scheme of Delegation and a meeting of the Local Governing Committee at which a quorum is present may exercise all the powers so delegated.

4.2 Finance and Audit

4.2.1 Except as provided for in this Scheme of Delegation, in addition to all powers hereby expressly conferred upon the Local Governing Committee and without detracting from the generality of the powers delegated, the Local Governing Committee shall have the following powers, namely:

4.2.1.1 to expend the funds of the Trust received in respect of the Academy in such manner as the Local Governing Committee shall consider most beneficial for the running of the Academy, acknowledging the responsibility of the Local Governing Committee to pay the Partnership Contribution levied by the Trust; and

4.2.1.2 to enter into contracts on behalf of the Trust in so far as they relate to the Academy and are within the scope of the Local Governing Committee's responsibility as set out in this Scheme of Delegation, subject to the limits to act without specific authorisation as set out in the "**Financial Regulations Manual**" annexed to this Scheme of Delegation as **Appendix 2**.

Comment [A22]: An example schedule of financial authorisations is provided to aid discussion.

- 4.2.2 Each Academy will have its own bank account, opened by the Trust when the Academy joined the Trust, which shall be operated by the Academy. All cheques, BACS and other electronic orders for the payment of money from such account shall be signed by or authorised in accordance with the Trust's Financial Regulations Manual.
- 4.2.3 No Trust monies (whether or not authority to expend has been devolved to the Local Governing Committee) shall be paid into any bank account other than a bank account authorised by the Trust Board.
- 4.2.4 The Trust's accounts shall be the responsibility of the Trust Board overseen by the Audit Committee but the Principal of the Academy shall provide such information about the Academy, as often and in such detail and format as the Audit Committee shall reasonably require, in order to carry out an internal audit of the Academies in accordance with the requirements of the Academies Financial Handbook. Without prejudice to the above, the Principal shall provide management accounts in an approved format to the Audit Committee at least once per term (three times per year) or as requested by the Audit Committee. These accounts may be shared with the Diocesan Education Service (or Diocesan finance office) at their request.
- 4.2.5 The Local Governing Committee shall ensure that proper procedures are put in place for the safeguarding of funds and that the requirements of the Academies Financial Handbook and the Funding Agreements are observed at all times as well as any requirements and recommendations of the Audit Committee and the Education & Skills Funding Agency. For the avoidance of doubt the Local Governing Committee acknowledges the restriction on borrowing contained in the Funding Agreements.
- 4.2.6 The Trust Board acknowledges the Local Governing Committee's right and intention to use any voluntary (i.e. non grant) funds (including any restricted funds) raised by the Academy for the purposes for which they have been raised and otherwise solely at the discretion of the Local Governing Committee provided this is within

the charitable object of the Trust. Proper accounts will be kept by the Principal showing the receipt and use of such funds and the extent to which such funds are restricted, in the light of the obligation on the Trust to note these funds separately in the Trust accounts.

4.2.7 The Trust Board also acknowledges that from time to time the Academies themselves may seek to generate additional funds by undertaking certain activities, such as: lettings, the provision of sporting and recreational facilities, running a nursery and/or providing childcare, teacher training, leadership support, school improvement, providing and supporting ICT and other administrative services. In some cases and particularly where such activities do not fall within the charitable object of the Trust, these may need to be channelled through a trading subsidiary, decisions about which will be made by the Trust Board. Any income generated from such Academy activities (and/or gift aided by a trading subsidiary set up by the Trust) in respect of a particular Academy's activities shall be delegated to the relevant Local Governing Committee. Such funds will however be noted separately in the accounts of the Academy and, like all Academies' funds, will be subject to any reserves policy operated by the Trust Board.

4.2.8 The Local Governing Committee shall make sufficient funds available to enable the Trust to place such insurance or risk protection cover as is necessary to protect the Academy and the Trust from loss and other risks that shall include (but shall not be limited to) the following (such insurance or risk protection cover to be placed either with the Diocese's own insurer or through the Education & Skills Funding Agency's Risk Protection Arrangement scheme as directed by the Trust Board with the agreement of the Diocese):

4.2.8.1 land, buildings and contents;

4.2.8.2 public, employer's and hirer's liability;

4.2.8.3 Directors' and Governors' liability and professional indemnity;

4.2.8.4 personal accident and school journeys;

Comment [A23]: The accountants will advise what amounts to trading income and what is primary purpose. Trading income will be assessed across the whole Trust and when such income exceeds £55k annually, the Trust will be required to establish a trading subsidiary to avoid putting at risk the Trust's charitable assets. Academy generated income can be ring fenced for use by the Academy (whether trading or primary purpose). An inter-Academy charging policy might also be developed which will sit alongside the policy on the Partnership Contribution. The general assumption is that services provided by schools to each other are charged at cost.

4.2.8.5 terrorism and business interruption;

4.2.8.6 money and fidelity;

4.2.8.7 legal expenses, libel and slander;

4.2.8.8 engineering.

The Local Governing Committee will fulfil any requirements of the insurers and will notify the Trust Board as soon as reasonably practicable following the occurrence of an event where loss has been suffered or is threatened. The responsibility for notifying the insurers or the ESFA (as the case may be) is the Principal's. The Executive Team and the Principal will provide each other with all necessary information and assistance as may be helpful in the management of any claims.

4.3 **Curriculum and Standards**

4.3.1 The Local Governing Committee shall be responsible for the setting and review of the curriculum priorities for the Academy, but shall have regard to any views of the Trust Board in recognition of the Trust Board's obligation to the Secretary of State to provide a broad and balanced curriculum and to the Diocese in respect of the teaching of RE, relationships and sex education and in relation to collective worship.

4.3.2 The Local Governing Committee shall be responsible for the standards achieved by the Academy and the pupils attending the Academy. The Local Governing Committee will support the Principal in the development and implementation of any action plan or school development plan which is to address any weaknesses and areas for improvement of standards and overall attainment at the Academy, but in so doing shall have regard to and consider any advice and recommendations of the Trust Board and the Diocese Education Service as they might issue from time to time, particularly in relation to benchmarking and target setting.

4.3.3 The Local Governing Committee will develop appropriate links with other local schools or education organisations to promote best

practices in learning and development and to facilitate peer to peer review and support. The Local Governing Committee will also promote and develop links with local businesses and community organisations which are designed to enrich the school life of pupils and foster citizenship.

4.4 Personnel

4.4.1 Executive Leadership

The responsibility for the appointment and performance management of Principals and members of the Executive Team rests with the Trust Board, who may delegate tasks to either a specific committee or to an individual. The Trust adopts the following policy with regard to any disciplinary matters:

4.4.2 **Principal/Headteacher**

4.4.2.1 The formal power to appoint the Principal (or headteacher, executive headteacher or head of school) of each Academy is vested in the Trust Board who must consult with the Diocese Education Service and the Trust's [CEO/Strategic Lead/Accounting Officer] (who will take any views of the Leadership Group as to the requirements for any new Principal into consideration). The Diocese will always be represented on the interview panel as will the Trust's [CEO/Strategic Lead/Accounting Officer] and the Chair of the relevant Local Governing Committee.

Comment [a24]: A proposal has been made for the appointment and management of the Principal. Alternatives could be considered, but regard must be had to the requirement in the Articles that the Directors should appoint the Principals, as well as any requirements of the Diocese.

4.4.2.2 The appraisal and performance management of the Principals will be undertaken by the Trust Board in collaboration with the Local Governing Committee. Any disciplinary action or capacity review will be undertaken by the Trust Board.

4.4.2.3 The Trust Board may delegate such powers and functions as they consider are required by the Principal for the internal organisation, management and control of the Academy (including the implementation of all policies approved by the Trust Board for the direction of the teaching and learning and curriculum at the Academy).

4.4.3 **Other Staff**

4.4.3.1 The Local Governing Committee through the Principal shall be responsible for the appointment and management of all other staff to be employed at the Academy provided that the Local Governing Committee and Principal shall:

4.4.3.1.1 implement and comply with all policies dealing with staff issued by the Trust Board from time to time;

4.4.3.1.2 take account of any pay terms set by the Trust Board;

4.4.3.1.3 adopt any standard contracts or terms and conditions for the employment of staff issued by the Trust Board;

4.4.3.1.4 adopt appropriate and transparent procedures for the recruitment of staff;

4.4.3.1.5 manage any claims and disputes with staff members having regard to any advice and recommendations given by the Executive Team and/or the Trust's insurers or the ESFA;

4.4.3.1.6 bring to the attention of the Chair of the Trust Board and, if required, the Trust's insurers and/or the ESFA without delay any claims or disputes with staff that may require a hearing by a panel of members of the Local Governing Committee where escalation is necessary;

4.4.3.1.7 seek the advice of the Trust Board where any significant cost is contemplated either in relation to the appointment or resignation of a member of staff, including in relation to ill health retirement or the settlement of any claims or grievances;

4.4.3.1.8 not make any appointment of any reserve post (e.g. Head of RE) without involving the Diocesan Education Service.

4.4.3.2 The Local Governing Committee shall carry out or delegate to either the Principal and/or an appropriate committee (as appropriate) the performance management of all staff and shall put in place procedures for the proper professional and personal development of staff taking into account any training and support available from or procured by the Executive Team.

4.5 **Admissions and Exclusions**

4.5.1 The Local Governing Committee shall be responsible for the setting and review from time to time of the Academy's admissions policy provided that no material change will be made to the admissions criteria without the approval of the Trust Board and the Diocese where relevant having regard to the statutory duties and responsibilities on the Trust and the Academy.

4.5.2 Any decision to expand the Academy shall be that of the Local Governing Committee but who shall have regard to and consider the views of the Trust Board and the Diocese Education Service where appropriate.

- 4.5.3 Any appeal against admissions shall be heard by an independent appeal panel established and authorised by the Local Governing Committee.
- 4.5.4 The Local Governing Committee shall consider any decision by the Principal to exclude any pupil and will be the appropriate body for reconsidering any decision to readmit required by any independent panel hearing.

4.6 **Premises**

- 4.6.1 The day to day maintenance and care of the buildings and facilities used in respect of the Academy is the responsibility of the Local Governing Committee (with management responsibility being delegated to the Principal), who shall have regard at all times to the safety of the users of the buildings and the facilities and the obligations of the Trust to the Diocesan Trustee, as the legal owner of such buildings and facilities under the Diocesan Memorandum of Understanding.
- 4.6.2 The Local Governing Committee shall work in collaboration with the Executive Team in developing a long term estate management strategy that will identify the suitability of buildings and facilities in light of long term curriculum needs and the need for and availability of capital investment to meet the Trust's legal responsibility to ensure the buildings and facilities used by each Academy are maintained to a good standard.
- 4.6.3 Short term lettings and day to day uses of the school buildings and playing fields will be the responsibility of the Local Governing Committee who shall comply with any policy issued from time to time by the Diocesan Education Service regarding such uses.
- 4.6.4 The responsibility for any disposals or acquisitions of land to be used by the Academy will be that of the Trust Board, who must seek the approval of the Diocese.

4.7 **Community Activities and Community Engagement**

- 4.7.1 Whilst the undertaking of any activities which would be described as part of the Academy's "extended schools agenda" or any activities designed to generate business income, will be the responsibility of the Local Governing Committee, this shall only be undertaken in a manner consistent with any policy set by the Trust Board and having regard to the viability of such activities, the impact on the Academy's activities and any financial implications, such as the threat of taxation in light of the Trust's charitable objects and any threat to funding provided by the Secretary of State. The financial implications are noted above.
- 4.7.2 The Local Governing Committee is responsible for all community engagement and consultation and will acknowledge and reinforce the vision of the Trust in all communications. The importance of building and maintaining good relations with other local schools, businesses and organisations is acknowledged.

5. SUPERVISION AND INTERVENTION - RISK MANAGEMENT

5.1 Supervision and Reporting

5.1.1 Notwithstanding the level of delegated responsibility, the Directors remain legally responsible for all matters in connection with the Academies and they are required to have systems in place through which they can assure themselves of quality, safety and good practice in the Academies.

5.1.2 Once per term in every school year (three times), the Trust Board will request and the Local Governing Committee (or Principal) will provide an ["**Operational Risk Management Report**"] in a format specified by the Trust Board. [The current form of report is annexed to this Scheme as Appendix 4.]

5.1.3 The Local Governing Committee is appointed as a sub-committee of the Trust Board and as such has no separate legal status to that of the Trust or the Trust Board. Consequently, any act or omission of the Local Governing Committee or any officer of the Trust or the Academy that subsequently leads to prosecution or other litigation will be a liability of the Directors and any event in an Academy that might lead to public criticism or adverse publicity or damage to the reputation of the Trust will also be concern for the Trust Board. In such events and in order to minimise risk, the Chair of the Local Governing Committee or the Principal will as soon as reasonably practicable advise the Chair of the Trust Board (and if appropriate a member of the Executive Team). These events will include the following (but shall not exclude any other event that falls within the generality of the circumstances described above):

5.1.3.1 any event leading to loss of life or critical injury on the premises of the academy or during an event off the premises organised or supervised by Academy staff;

Comment [A25]: A draft risk management policy is provided for ease. Further work is being done on a reporting structure, which will pick up reporting to the Members as well.

- 5.1.3.2 any sexual or violent or illegal act against a child committed by any person while on the Academy premises under any circumstances;
- 5.1.3.3 the suspension or summary dismissal of any senior member of staff;
- 5.1.3.4 any event that requires a report to the Health and Safety Executive or that results in the service of a legal notice on the Academy alleging a breach of fire or health or safety law or regulations;
- 5.1.3.5 any event that requires a formal hearing by a panel of representatives of the Academy or that results in the service of a legal notice on the Academy alleging a breach of employment law or regulations.

5.2 Intervention and Removal of Delegated Responsibility

- 5.2.1 The Local Governing Committee shall work closely with and shall promptly implement any advice or recommendations made by the Trust Board in respect of standards and performance (including financial probity), particularly where areas of weakness have been identified by either the Diocesan Education Service or Ofsted.
- 5.2.2 In the event that intervention is either formally threatened or is carried out by the Secretary of State, the Trust Board expressly reserves the unfettered right to review or remove any power or responsibility conferred on the Local Governing Committee under this Scheme of Delegation in such circumstances. The Trust's Leadership and Governance Decision Planner (Appendix 3) indicates relevant decision making authority which may be temporarily removed from an Academy which is being formally supported by the Trust. Decisions as to whether an Academy is "effective" or to be formally "supported" (beyond the support which the Trust would normally provide or secure for its Academies) will be made by the Trust Board, who will have regard to any advice issued by the Diocesan Education Service. The Trust Board retains the right to dissolve any Local Governing Committee of an Academy which is the subject of formal intervention

Comment [a26]: This decision could be delegated to the Leadership Group. If the decision is delegated then a report should be submitted to the Trust Board and if the decision is not delegated then the Board should consult the Leadership Team before making any decision or taking action.

by Ofsted or the ESFA and if dissolved a transition board will be put in place, the details of which are referred to below.

5.2.3 Notwithstanding the above, the Trust Board and the Local Governing Committee acknowledge the value of maintaining a good working relationship particularly in light of the levels of delegated responsibility within the Trust and the impact this may have on the ability of the Trust Board or the Local Governing Committee to react when standards are falling and/or there is evidence of financial imprudence exposing the Academy or the Trust to a threat of intervention. The Trust Board and the Local Governing Committee in such circumstances make the following commitments to each other:

5.2.3.1 to discuss openly any weaknesses or any situation which may in the opinion of either potentially lead to a threat of intervention by the Secretary of State;

5.2.3.2 to use all reasonable endeavours to agree the measures to be taken to improve standards and the performance of the Academy and to support each other in the implementation of those measures, including involving the Diocesan Education Service who will support and advise on steps to be taken and facilitate additional support if needed;

5.2.3.3 to allow each other the opportunity to effect improvements at the Academy provided such steps do not seek to undermine the collaborative and respectful approach being adopted by each;

5.2.3.4 the Trust Board shall not remove or suspend delegated authority without first agreeing to put in place for an appropriate period of time a transition or improvement board whose responsibility it will be to address the areas of weakness, the terms of reference for such "**Intervention Board**" being set out in Appendix 8 to this Scheme;

5.2.3.5 the Trust Board shall not exercise any power to suspend or remove a Principal without first discussing with the Chair of the Local Governing Committee and the Diocesan

Education Service the need to ensure that such power is being exercised appropriately and proportionately.

6. FUNCTIONING OF THE LOCAL GOVERNING COMMITTEES

6.1 Constitution of the Local Governing Committee

6.1.1 A Local Governing Committee shall be established for each of the Academies comprising at least 9 Governors as follows:

6.1.1.1 the **Principal** of the Academy;

6.1.1.2 up to 2 “**Staff Governors**”, elected or appointed through such process as the Local Governing Committee may determine;

6.1.1.3 at least 2 “**Parent Governors**”, elected by parents or carers of registered pupils at the Academy and being a parent or carer of a pupil at the Academy at the time when elected;

It is essential that these systems operate properly to meet the requirements of our funding agreement with the Secretary of State for Education, through the Education & Skills Funding Agency (ESFA).

The Trust **must** comply with the principles of financial control outlined in the Academies Financial Handbook. This manual expands on that and provides detailed information on the academy's accounting procedures and system manual should be read by all staff involved with financial systems.

This manual serves as an adjunct to the scheme of delegation providing information on the day-to-day operations and practicalities forming from this financial regulation manual.

2. General

The Trust will have one computerised financial system on which all financial transactions by the Trust or individual Academies **must** be entered.

The Trust will have one central payroll system.

The Trust will have one Human Resources provider.

The Trust will ensure there is adequate insurance cover (or risk protection) in place. The Trust may utilise the ESFA's Risk Protection Arrangement.

APPENDIX 4

RISK MANAGEMENT POLICY

1. Background

The Risk Management Strategy aims to ensure that the Trust complies with risk management best practice and sets out the current processes and responsibilities for risk management in the Trust.

1.1 The requirements of the strategy can be summarised as:

- Directors, Governors and Principals acknowledge responsibility for the system of internal control
- An ongoing process is in place for identifying, evaluating and managing all significant risks
- An annual process is in place for reviewing the effectiveness of the system of internal control
- There is a system in place to deal with internal control aspects of any significant issues disclosed in the annual report and accounts

1.2 In assessing what constitutes a sound system of internal control, consideration should be given to:

- The nature and extent of the risks facing the organisation
- The extent and categories of risk which it regards as acceptable
- The likelihood of the risks concerned materialising
- The organisation's ability to reduce the incidence and impact of the risks that do materialise

2. Risk Management objectives

The objectives for managing risk across the Trust are:

- To safeguard high quality and effective education of the young people in our Academies;
- To safeguard the reputation and ethos of the Trust and the Academies and the principles upon which the Trust was founded;
- To recognise the common good in terms of the interests of the families in the communities served by the Academies and the pupils of the future;
- To comply with risk management best practice;
- To ensure risks facing the Trust are identified and appropriately documented;
- To provide assurance to the Trust Board that risks are being adequately controlled, or identify areas for improvement;

- To ensure action is taken appropriately in relation to accepting, mitigating, avoiding and transferring risks; and
- To prioritise and protect the Scheme of Delegation and the balance struck between central management and local responsibility.

3. Risk Management strategy

The strategy aims to:

- Outline the roles and responsibilities for risk management.
- Identify risk management processes to ensure that all risks are appropriately identified, controlled and monitored
- Ensure appropriate levels of awareness throughout the Trust and its Academies

3.1. Roles and responsibilities

The Local Governing Committees of each Academy have the responsibility to implement, monitor and verify such policies and procedures to facilitate an annual statement of compliance on those risks identified by the Trust Board. The Principal with school leadership team have overall responsibility for managing risk in their Academies. The Trust Board has primary responsibility for risk management processes and has responsibility for maintaining the Trust-wide Risk Register. This responsibility includes:

- Monitoring the performance of risk management processes
- Ensuring that appropriate controls are in place to manage identified risks
- Preparation of periodic reports to both the Finance & Audit Committee

The Risk Register is formally reviewed each term by the Trust Board. The Risk Register is a standing item on the Trust Board's agenda and the Directors will monitor the identification and mitigation of risk within the Trust. The Local Governing Committee will review the individual Academy's Risk Register and this will form part of the Local Governing Committee's report to the Trust Board.

3.2. Identification of risks

Risk identification should be approached in a methodical way to ensure that all significant activities have been identified and all the risks flowing from these activities have been defined.

Our approach to risk management is linked to six key aims:

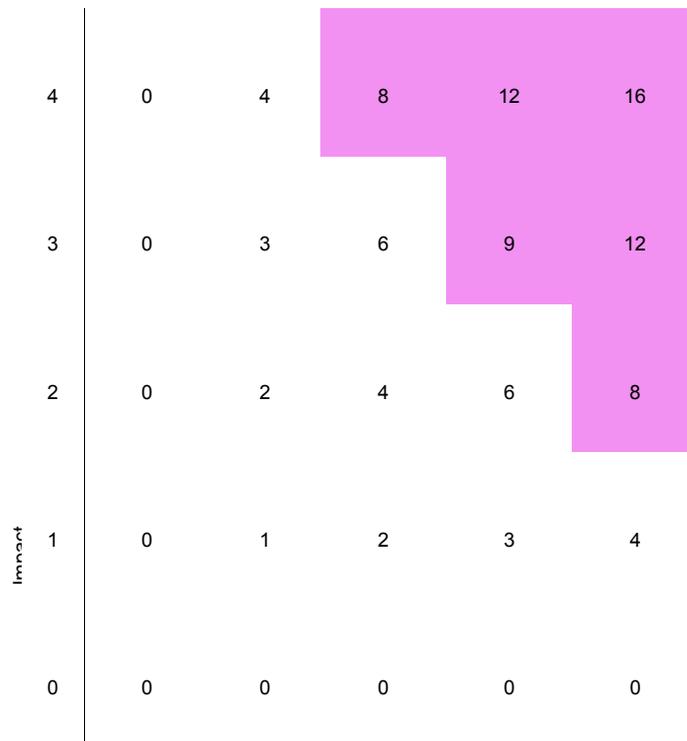

- Aspire, Accomplish, Achieve
- Outstanding staff, leadership and management
- Outstanding infrastructure
- Financial strength
- Inspiring and supportive culture
- Strong community and partnerships

The structure and organisation of the Trust's risk register seeks to ensure that all significant objectives and activities have been identified and the risks associated with each area have been identified.

3.3. Evaluation of risks

Risks should be evaluated against agreed criteria to make decisions about the significance of risks to the organisation.

The Trust uses a 5x5 matrix to assess impact and likelihood as illustrated in the diagram below:

0 1 2 3 4

Likelihood

The **descriptors** for impact and probability can be expanded as follows:

Impact of risk occurring

Impact	Description
Critical (4)	The financial impact will be highly significant [in excess of £100,000] Has a significant impact on both strategy and on teaching and learning Has significant stakeholder concern Can cause significant reputational damage to the Academy/Trust
Very High	The financial impact will be significant [between £80,000 and £100,000] Has a significant impact on strategy or on teaching and learning Has significant stakeholder concern Can cause significant reputational damage to the Academy/Trust
High	The financial impact will be more than moderate [between £50,00 and £80,000] Has more than a moderate impact on strategy or on teaching and learning Moderate to significant stakeholder concern Can cause reputational damage to the Academy/Trust
Medium	The financial impact will be moderate [between £25,000 and £50,000] Has no more than a moderate impact on strategy or on teaching and learning Moderate stakeholder concern Can cause moderate reputational damage to the Academy/Trust
Low (0)	The financial impact is likely to be low [below £25,000] Has a low impact on strategy or on teaching and learning Low stakeholder concern Is unlikely to cause any reputational damage to the Academy/Trust

Likelihood of risk occurring

Likelihood	Description	Indicator
4	Likely to occur within the next 3 months	Potential of it occurring several times within a year period.

		Has occurred recently
3	Likely in the next 6 months	Potential of it occurring several times within a 2 year period. Some history of occurrence
2	Likely to occur within the next 12 months	Could occur more than once within a 3 year period.
1	Likely to occur within the next 3 years	Could occur but hasn't happened within the last 4 years
0	Likely in more than 3 years	Has not occurred Is not likely to occur

3.4. Risk appetite

The term risk appetite describes the Trust's readiness to accept risks and those risks it would seek to reduce. The Trust's risk threshold is the boundary delineated by the pink shaded area (represented by scores of 8 and above) in the risk matrix in paragraph 3.3. Above this threshold, the Trust will actively seek to manage risks and will prioritise time and resources to reducing, avoiding or mitigating these risks.

3.5. Addressing risks

When responding to risks, the Trust will seek to ensure that it is managed and does not develop into an issue where the potential threat materialises.

The Academy will adopt one of the 4 risk responses outlined below:

- Treat Counter measures are put in place that will either stop a problem or threat occurring or prevent it from having an impact on the business

- Transfer The risk is transferred to a third party, for example through an insurance policy.

- Terminate The response actions either reduce the likelihood of a risk developing, or limit the impact on the Trust to acceptable levels.

Tolerate We accept the possibility that the event might occur, for example because the cost of the counter measures will outweigh the possible downside, or we believe there is only a remote probability of the event occurring.

4. Risk Reporting and Communication

The aim of reporting risk is to provide assurance to the Directors, Governors, Principals and Auditors that the Trust is effectively managing its risks and has a robust system of internal controls.

4.1. Risk register

The reporting mechanism will be the Trust's Risk Register. This will highlight the key risks facing the Trust, as well as a breakdown for each key strategic aim and individual academies contexts. The Risk Register will be monitored by the Trust Board on a termly basis.

Any significant changes in risk impact or probability, or the occurrence of an event which raises the profile of a risk will be recorded on the risk register as it occurs. Any new or increased risks identified by Directors, Governors, Principals or raised by any other member of staff will be evaluated and, if appropriate, recorded in the Risk Register.

4.2 Communicating Risks

The Trust Board monitors the risk register each term. The Principal and their strategic senior team will ensure that any perceived new or increased risks or significant failure of risk management control measures are considered and reported to the Trust Board (or an officer designated by the Trust Board, such as a member of the Trust's Executive Team) (and if appropriate any Audit and Risk Committee) along with a summary of actions taken.

Directors (or any designated officer) will endeavour to raise awareness that risk management is a part of the Trust's culture and seek to ensure that:

- individual members of staff are aware of their accountability for individual risks
- individuals report promptly to senior management any perceived new risks or failure of existing control measures.

4.3 Annual risk review and assessment

The Principals will review the risk reports and provide a termly assessment of the effectiveness of each Academy's management of risk.

The Executive Team will prepare an annual review of risk for the Trust Board annually. This will enable the Trust Board to consider:

- The significant risks facing the Trust holistically and each individual Academy
- The effectiveness of the risk management processes
- That the Trust has published a risk management strategy covering risk management philosophy and responsibilities

5. Areas for improvement

Any areas identified as being in need of improvement will be discussed and agreed each term at the Trust Board meeting.

APPENDIX 6

CONFLICT OF INTEREST POLICY

Why we have a Policy

Directors of a charity have a legal obligation to act in the best interests of the charity. For the purposes of charity law, the Directors are those people who are responsible for the general control and management of the administration of the charity. The Academy Trust is an “exempt” charity, the Principal Regulator being the Secretary of State for Education. The Articles of Association explain what the Directors must do to avoid situations where there may be a potential conflict of interest.

Conflicts of interests may arise where an individual's personal or family interests and/or loyalties conflict with those of the Trust. Such conflicts may create problems; they can:

- inhibit free discussion;
- result in decisions or actions that are not in the interests of the Trust; and
- risk the impression that the Trust has acted improperly.

The aim of this policy is to protect both the organisation and the individuals involved from any impropriety and/or any appearance of impropriety. This Policy operates without prejudice to any of the provisions in the Trust's Articles of Association relating to conflicts of interest.

The Declaration of Interests

Directors, Governors of the Local Governing Committees and all staff must declare their interests, and any gifts or hospitality received in connection with their role in the Trust. A declaration of interests form is provided for this purpose, listing the types of interest you should declare. All interests, including gifts of a value over £50, must be notified to the Trust Chair and a Register of Interests will be maintained by the Trust.

To be effective, the declaration of interests needs to be updated at least annually and also when any changes occur.

If you are not sure what to declare, or whether/when your declaration needs to be updated, please err on the side of caution. If you would like to discuss this issue, please contact the Trust Chair for confidential guidance.

Data Protection

The information provided will be processed in accordance with data protection principles as set out in the Data Protection Act 1998 and the General Data Protection Regulation. Data will be processed only to ensure that Directors, Governors and all staff act in the best interests of the Trust. The information provided will not be used for any other purpose.

What to do if you face a Conflict of Interest

If you have a direct or indirect interest in:

- a) a proposed transaction with the Trust; or
- b) any transaction or arrangement entered into by the Trust which has not previously been disclosed;

you must disclose the nature and extent of that interest, whether or not you receive any actual benefit as a consequence of the interest. You may have an indirect interest in a matter if a family member or friend has an interest in the matter.

As good practice, every Director and Governor should declare any private interest which he or she has in an item to be discussed at the beginning of every meeting, and certainly before any discussion of the item itself. You should not be involved in decisions in which it is possible that a conflict will arise. You should declare your interest at the earliest opportunity and withdraw from any subsequent discussion.

If you fail to declare an interest that is known to the Clerk and/or the Trust Chair or the Chair of the Local Governing Committee, the Clerk or Chair will declare that interest.

Decisions taken where a Director, Governor or Staff Member has an Interest

In the event of the Trust Board having to decide upon a question in which a Director, Governor or member of staff has an interest because of a duty or loyalty (however indirect) that they owe to another organisation, they will do so by vote, with a simple majority required. The conflicted individual may be present when the matter is discussed but must not take part in the discussion or vote on any matter relating to the discussion and a quorum must otherwise be present for the discussion and decision.

An individual will generally not have a conflict of interest or loyalty simply by virtue of the fact that he or she has been appointed or nominated to the Trust Board or to the Local Governing Committee by a third party and the Trust has dealings with that third party, but if any undue

influence is exerted by that third party or the individual has an interest in the matter for a reason other than mere appointment or nomination, then the circumstances will need to be reconsidered.

All decisions made where there has been a declared conflict of interest will be recorded by the Clerk and reported in the minutes of the meeting. The report will record:

- the nature and extent of the conflict;
- an outline of the discussion;
- the actions taken to manage the conflict.

Where a Director benefits from the decision, this will be reported in the Annual Report and Accounts in accordance with the current Charities SORP making reference also to any potential conflict situation recognised in this Conflicts of Interest policy. All payments or benefits in kind to Directors will be reported in the Trust's Accounts and Annual Report, with amounts for each Director listed for the year in question.

Where a member of the Trust's staff is connected to a party involved in the supply of a service or product to the Trust, this information will also be fully disclosed in the Annual Report and Accounts again making reference also to any potential conflict situation recognised in this Conflicts of Interest policy. The Trust formally acknowledges the Education & Skills Funding Agency's guidance on "related party transactions".

Independent external moderation will be used where conflicts cannot be resolved through the usual procedures.

Managing Contracts

If you have a conflict of interest, you must not be involved in managing or monitoring a contract or transaction in which you have an interest. Monitoring arrangements for such contracts will include provisions for an independent challenge of bills and invoices, and termination of the contract if the relationship is unsatisfactory.

Notified Conflicts of Interest

Without prejudice to any of the obligations on individuals as expressed in this Policy, the Directors have identified the following matter where relevant individuals will have an interest in the matter and such interest has not been expressly authorised in the Articles of Association but

is considered to be a matter which is in the best interest of the Trust and is authorised provided the principles of this policy are observed (particularly in relation to discussions, decisions and management of the matter where there is a genuine conflict):

- The spiritual guidance, oversight and regulatory function undertaken by the Bishop and the Diocesan Trustees in respect of the Trust and its Academies, acknowledging the Bishop's appointment of Directors and Governors and the contribution made by the Trust and its Academies to the costs of the Diocese in undertaking these functions.

APPENDIX 9

[NAME OF TRUST]

DIRECTOR CORE COMPETENCIES AND CODE OF CONDUCT

Introduction

As a charity and company limited by guarantee, [name of the academy trust] (the “Trust”) is governed by a Board of Directors (the “Directors”).

The Trust’s charitable purpose is the advancement of the Catholic religion and the Trust is accountable to the Bishop of Brentwood, the diocesan authority for the purposes of the academies and the religious authority for all matters. Notwithstanding whether a Director is appointed by the Bishop (i.e. as a Foundation Director) or by the Board of Directors, all Directors must comply with the wishes of the Bishop and fulfil the charitable object of the Trust. The Bishop is a Member of the Trust and appoints all other Members.

Whilst the Directors are accountable to the Bishop and the other Members of the Trust, the Directors have overall responsibility and accountability for all strategic and operational matters within the Trust and have been delegated decision making authority by the Members. The Board is intended to be strategic not operational and has delegated the day to day management of the business and the responsibility for the running of the academies to those officers of the Trust with executive and leadership responsibilities. The Board’s main purpose is to:

- determine the vision and values of the Trust consistent with those of the Bishop;
- support leadership in determining and fulfilling the strategic direction of the Trust;
- hold leadership to account; and
- oversee the financial performance of the Trust ensuring there are systems in place to manage risk and ensure money is well spent.

The Directors have established Local Governing Committees to assist them in fulfilling these governance responsibilities and to provide additional support to leadership. Further detail can be found in the Trust’s Scheme of Delegation.

The Trust is an exempt charity whose principal regulator is the Secretary of State for Education. Whilst this means the activities and constitution of the Trust are primarily determined by the Department for Education subject to the wishes of the Bishop, nevertheless the Trust is subject

to company law and charity law and occasionally the jurisdiction of the Charity Commission. The Directors therefore have both responsibilities as directors of a company and trustees of a charity.

Legal Duties of the Directors

The Directors of a charity have a fiduciary duty to act in good faith in the best interests of the charity. This duty includes a responsibility to do the following:

- To ensure compliance with any legal obligations;
- To report on the charity's activities (the Trust must prepare accounts in accordance with the Statement of Recommended Practice for Charities, the so called Charity SORP);
- To fulfil the charitable object of the charity as set out in its constitution (the Articles of Association) and to act in a way which is compliant with the rules of the charity contained in the Articles;
- To act with integrity and to avoid any personal conflicts of interest and not to misuse any charity funds or assets;
- To act prudently in the financial management of the charity, avoiding putting any assets, funds or reputation of the charity at undue risk;
- To exercise reasonable care and skill, using personal knowledge and experience to ensure the charity is well run and efficient;
- To act responsibly, getting advice from others, including professional advisors, where appropriate.

Under company law the Directors must avoid conflicts of interest and act prudently. There are specific legal duties where a company is insolvent or there is a threat of insolvency. More detail can be found in the [Academies Financial Handbook](#) and Directors must be especially careful where they may have a personal interest in a matter which involves the Trust. Directors must comply with the Trust's Conflict of Interest policy which will also address any specific requirements regarding trading with connected parties.

Directors must act independently and in the best interest of the Trust even if those interests conflict with those of the body or organisation that might have appointed or nominated such Directors to serve on the Board. Other than in relation to any Director who is employed by the Trust (not as a Director but to fulfil an executive function), the role of a Director is unpaid (except

for the reimbursement of reasonable expenses). No specific qualifications are required and Directors must be aged 18 or over.

Directors (other than Co-opted Directors) are appointed for a term of 4 years and can be reappointed on the expiry of such term provided that no Director is to be appointed for more than 3 terms of office.

Specific Duties of the Directors

The specific tasks and responsibilities of the Directors are as follows.

- To formulate the vision and ethos of the Trust, enhancing Catholic education, having regard in particular to the benefits of collaboration between the academies and the uniqueness of each as well as the needs of the communities they serve;
- To determine the Trust's strategic plan, having regard to the advice and recommendations of the Trust's executive officers and the needs of the academies articulated by the respective Local Governing Committees;
- To ensure that the Trust develops and regularly reviews a set of policies and procedures dealing with the following:
 - Human Resources/Employment
 - Audit & Risk Management
 - Governance/Scheme of Delegation
 - Health & Safety/Safeguarding
 - Operational Matters/Financial Management/Contingencies & Reserves
 - Data Control/Management
 - Complaints and Appeals
 - Legal Compliance
- To approve budgets for expenditure and to ensure there is transparency in any financial matters including reporting to regulatory bodies as required;
- To appoint and review the performance of the Trust's executive officers and academy

leaders and where responsibility for the latter is delegated to a senior executive officer to support he or she in appointing and managing all other leadership and executive posts;

- To monitor and evaluate the effectiveness of the Trust both in terms of systems and processes to support teaching and learning and to oversee the outcomes of teaching and learning across the Trust;
- To provide challenge and support to both executive officers and those with leadership responsibilities.

Individual Directors may be given primary responsibility for particular functions such as audit and financial management, HR, Trust policies and procedures, safeguarding, academy liaison and communication with the view to matching skills and experience to functions. This will not affect collective and overall individual responsibility and accountability but Directors are expected to use their skills and experience in the fulfilment of their duties.

Core Competencies and Skills

The following are the core competencies and skills expected of all Directors:

- To work as a team;
- To attend meetings and be prepared to contribute to discussions and commit to agreed actions;
- To be respectful of the views of others and to be open to new ideas and thoughts;
- To treat all confidential information confidentially;
- To act with integrity, avoiding any personal conflicts of interest and complying with the Trust's Conflict of Interest policy;
- To develop a deep understanding of the vision and ethos of the Trust and its academies and the roles played by all individuals in fulfilment of the Trust's mission;
- To understand the policies and procedures of the Trust and how these flow down to the academies;
- To support the Trust in public and act as an ambassador of the Trust and the academies;
- To commit to training and skills development;

- To be ready to ask questions;
- To be focussed on problem solving and be ready to learn from past experiences;
- To adhere to the Nolan [Seven Principles of Public Life](#).

Personal Qualities and Values

The role of a Director is challenging but should be rewarding. Directors are expected to be held in high regard and to provide an example to others. As such, Directors will have the following qualities and values:

- A desire to create positive change and life experiences for young people;
- A deep seated commitment to the aims of and objectives of the Trust and the Catholic Church;
- A willingness to devote time and energy;
- An ability to build productive and supportive professional relationships;
- A commitment to equal opportunities and anti-discriminatory practices;

- An ability to use financial and workforce data to inform decision-making;
- Appropriate levels of literacy in English;
- A person who is reliable, acts with integrity and is capable of good independent judgement;
- Is able to satisfy any requirements set by the Bishop.

Specific skills may be needed if a Director is to take responsibility for and lead on a specific area or to meet a skills shortage that has been identified. The Trust has additional expectations of its Chair and Vice Chair and these are appended to this Code of Conduct. A regular skills audit will be undertaken and Directors should expect to be able to articulate their contribution to the success of the Trust and the academies.

Legal Requirements

Individuals who are not able to make and to continue to make the following declarations may not serve as a Director and if appointed would then be automatically disqualified:

- I am not disqualified from acting as a charity trustee;

Removal of a Director

Any concerns regarding a Director's behaviour and actions which may impact adversely on the Trust or fellow Directors will be addressed either by the Bishop or the Chair of the Trust. Except where changes to the Trust Board are made for operational reasons for example to address skills shortages or to satisfy the requirements of the Bishop, steps to remove a Director for personal

reasons are expected to be taken only in exceptional circumstances for example involving the following:

- There has been serious misconduct (which will be considered on a case by case basis but as a guide any breach of this Code of Conduct will give rise to a legitimate complaint);
- A Director displays repeated and serious incompetence (e.g. consistently fails to attend meetings and/or engage with training or address any skills gaps such that their ability to make a meaningful contribution is compromised);
- The Director has engaged in conduct or behaviour which is aimed at undermining fundamental British values of democracy, the rule of law, individual liberty, mutual respect and tolerance of those with different faiths and beliefs;
- The actions of the Director are significantly detrimental to the effective operation of the Trust Board or the Trust more widely, distracting the Trust Board from its core strategic functions and/or the actions of the Director interfere with the operational efficiency of the Trust or any of its academies thereby wasting a significant amount of executive, headteacher and/or senior leadership time;

Any decision to remove will be made in accordance with the Trust's Articles of Association and applicable law. Any right of appeal will be subject to applicable law.

Review

This Director Code of Conduct has been adopted by the Trust Board on the date set out below. It is subject to regular review.

[Date Adopted]

Appendix – Additional Expectations of the Chair and Vice Chair

The Chair and Vice Chair are elected by and from within the Director body, but they must be Foundation Directors and regard must be had to any further requirements of the Bishop.

Elections are expected to take place at the beginning of every year and any interim appointment (for example following the resignation of the current Chair) will be terminated or confirmed at the next appropriate meeting.

Specific Duties

The Chair's specific duties are to:

- Ensure the Bishop's wishes are fulfilled, liaising directly with the Diocesan Education Service and representatives of the Bishop;
- Provide a clear lead and direction for the Board in formulating and delivering the vision for the Trust;
- Build an effective team, attracting individuals to the Board with necessary skills and experience, promoting equality and diversity, ensuring priority is given to those who can make a positive contribution to work of the Trust and driving school improvement across all academies;
- Ensure new Directors are properly introduced to the work of the Trust and the Board and to support their development as effective and valued members of the Board maximising their contribution to the Trust in doing so;
- Work closely with the senior or chief executive officer to ensure there is proper challenge and encouragement of Directors, executive officers and those with leadership responsibilities;
- Provide direct support to the senior or chief executive officer and take the lead in the recruitment and performance management of this role as well as the review of pay and conditions of service;
- Take a lead role in any decision to suspend or discipline the senior or chief executive officer;
- Ensure that school improvement is the focus of all policy and strategy for the Trust, reminding the Directors of this as often as necessary;

- Hold the Directors to account, ensuring the business of the Board is conducted efficiently and effectively, chairing meetings ensuring all Directors have the opportunity to contribute and are listened to with clear decisions being made when necessary, including reporting on the Board's effectiveness to the Members as required;
- Be available when there is a need to act quickly, taking, or supporting the senior or chief executive officer in taking, urgent action and making decisions, subject to subsequent ratification by the Board as necessary;
- Act a focal point and advocate for the Board, liaising as necessary with any regulatory body, the Local Governing Committee and those representing the wider community.

Specific Responsibilities

As the guardian of the Board's effectiveness, the Chair has a specific responsibility to ensure:

- That reporting by executive officers is clear, concise, appropriate and comprehensive, reducing unnecessary paperwork;
- That meetings of the Board are held regularly and there is a clear agenda which has been communicated to all Directors which focusses appropriately on strategic matters, acknowledging that when urgent meetings are required to discuss exceptional business that as much preparation as may be possible is made for these;
- That the business of the Board is conducted as openly and transparently as possible;
- That decisions taken by the Board are implemented and not circumvented;
- That Directors adhere to the Director Code of Conduct and that the Chair takes appropriate and firm action where this appears not to be the case;
- That the Board undertakes regular reviews of any skills gaps or lack of experience and/or capacity and takes active steps to address these;
- That the Board remains focussed on the Trust's key strategic priorities and that individual Directors either as a group or committee or as individuals do not seek to become overly involved in operational matters;
- There is proper and adequate succession planning;

- That any complaints about the Trust, the actions of the Board or an individual Director or the senior or chief executive officer are dealt with in a timely and effective manner.

Additional Skills

As well as the skills required of a Director, the Chair should be able to demonstrate the following attributes:

- An understanding of the framework within which corporate bodies function;
- Strong communication skills;
- Ability to prioritise;
- Ability to chair meetings and encourage the participation of others;
- Ability to build and lead a team;
- Leadership or managerial experience;
- Ability to delegate;
- Ability to mediate.

The Diocesan Education Service will continue to exercise oversight of the schools, supporting the Bishop and the Diocesan Trustees both as members of any academy trust and as diocesan authority under canon law and education law. Oversight will extend to the MAT itself and to those appointed as directors of any MAT. It will remain the case that the Diocese can be approached to help resolve any relationship difficulties (e.g. between the schools in the MAT or between any Local Governing Committee and the Trust Board) and the Diocese will expect to be informed of any significant breakdown in communication. The importance of recognising the schools as Catholic schools and the observance of all Diocesan policies is restated in the Diocesan Memorandum of Understanding, the current version of which is referenced in the Scheme. Compliance with the obligations set out in the MoU is compulsory for all. Whilst the Diocese retain a right to intervene (a right which has been set out again in the Articles of Association), it is expected that doing so will be a last resort, the Bishop's wishes normally expected to be fulfilled through the appointment and removal of the foundation directors and foundation governors.

Any reasonably large MAT will need a separate audit and risk committee, whose job is to oversee financial probity and ensure risks are identified and managed. Where the responsibility for budget approval is retained by the Trust Board (as opposed to delegated to the Local Governing Committee) then the audit committee might also operate as a finance committee. It is only a committee of the main Trust Board and decision making will still be retained by and be the responsibility of the Trust Board.
