

We hope that our map and the directions below will help you to find us!

**Our Address:** First Floor, 2 Chawley Park  
Cumnor Hill  
Oxford  
OX2 9GG

**Our Telephone No:** 01865 297200

### By Car

If using a SatNav, it is recommended that you use the postcode OX2 9PJ (using house number 195). This will take you to Chawley Grove Care Home, which is immediately next door to the entrance to Chawley Park.

We have ample parking. When entering Chawley Park, you will see our office building immediately ahead of you (we are in the same building as James Cowper Kreston). Please follow the road round to your left, so that you have Bloomsbury building on your left and our offices on your right. At the top of the road, turn right and then right again. You can park on the gravel car park to your left or in the Winckworth Sherwood parking area directly ahead of you (these spaces are marked on the kerb with "Winckworth Sherwood"). Please do not park in a space assigned to another company. The entrance is on the side of the building, as shown above, with access from the car park via the steps. Please go through the door immediately in front of you, up the stairs, and then use the intercom to speak with our reception.

### By Train

The nearest train station to Chawley Park is Oxford Station (2.9 miles). You will either need to get a bus or taxi from this location, as the office is not within a reasonable walking distance of the train station. Alternatively, you can catch a taxi from Oxford Parkway (Chiltern Line), which is 7.9 miles away.

### By Bus

Please check Thames Travel for your location and bus times to Chawley Park.
